

SAFETY DATA SHEET

FBC220 – Slideway Oil

1. Product & Company Identification

Product Name:	FBC220 Slideway Oil
Recommended Use:	Lubrication of machine tool slideways and slitting line components
Supplier:	Fribesco Ltd (include NZ importer/manufacturer details)
Address:	PO Box 1044, Nelson 7040, New Zealand
Phone:	+64 9 622 0107
Website:	www.fribesco.com
Emergency Contact (24h NZ freephone):	0800 764 766 (National Poisons Centre)

2. Hazard(s) Identification

Classification (GHS7 NZ):

- Skin irritation – Category 2
- Hazardous to the aquatic environment (chronic) – Category 3

Signal Word: **WARNING**

Hazard Statements:

- H315 Causes skin irritation
- H412 Harmful to aquatic life with long lasting effects

3. Composition/Information on Ingredients

Highly refined mineral oils with proprietary lubricity, anti-wear and corrosion-inhibiting additives. Exact composition is commercially confidential.

4. First-Aid Measures

Skin:	Wash with soap and water. Remove contaminated clothing.
Eyes:	Rinse cautiously with water for several minutes.
Inhalation:	Move to fresh air.
Ingestion:	Do not induce vomiting. Seek medical advice.

5. Fire Fighting Measures

Suitable extinguishing media: Foam, dry chemical, CO₂. Hazards: Will burn if exposed to flame.

Protective equipment: Firefighters should wear self-contained breathing apparatus.

6. Accidental Release Measures

Contain spill; prevent entry to drains/soil/water.

7. Handling and Storage

Avoid prolonged skin contact; store away from ignition sources.

8. Exposure Controls / Personal Protection

Wear gloves when handling. Wash hands after use.

9. Physical and Chemical Properties

Appearance:	Oily liquid
Odour:	Mild petroleum
Flammability:	Not classified as flammable

10. Stability and Reactivity

Stable under normal conditions. Avoid strong oxidising agents.

11. Toxicological Information

Prolonged skin contact may cause irritation or dermatitis.

12. Ecological Information

Harmful to aquatic organisms with long term effects.

13. Disposal Considerations

Dispose through approved waste facility. Do not pour into drains.

14. Transport Information

Not regulated as dangerous goods.

15. Regulatory Information

Classified in accordance with HSNO Approval/Group Standard (once determined under NZ EPA).

16. Other Information

Prepared for industrial use by Fribesco Ltd.
