TECHNICAL DATA SHEET

FBC-501 Snaplock Clip

Description:

- FBC-501 RP
- 44.5 mm high Snap Lock Panel Clip

Application:

- Standing seam panel clips used for attachment of snap lock type panels wherein mechanical seaming is not required.
- Compatible with Schlebach Quadro Panel number 06000501

Features and Benefits:

- Manufactured from high-quality, corrosion-resistant steel meeting strict mechanical property requirements (Z 180)
- Tightly controlled manufacturing tolerances for a secure and functional fit every time
- Allows unlimited thermal movement. Always follow the standing seam panel manufacturer's details and instructions on proper use, location and performance values, as well as properly fixing their respective roof panels to the structure to prevent uncontrolled sliding

Guidance:

- Refer to Fribesco's standing seam fastener offering for panel clip attachment options.
- Always consult with the panel manufacturer or design engineer to ensure proper clip recommendations.

Specifications:

Product Type	Snap Lock Clip
Holes	2 x 5.5 mm
Width	50 mm
Height	45 mm
Material	Z - 180
